1. The things I have found most valuable of CoCo Café were:

The nice exchange with each other in a very open atmosphere!!

Creative thinking together.

2. I see as

its mayor strengths

Creativity

With the following traps

That we gather a lot of ideas with no use this in future?

3. I would like to see

MORE of the following in CoCo Café

Maybe some action planning on individual and group basis.

Of course we operate outside of CCI quite a lot on an individual level, so we need to do some planning about how I can use this in my day to day activities.

Because they affect me and CoCo C

In my way how I would like to do my international business class

4. I would like to see

LESS of the following in CoCo Café

Because they affect me / CoCo Café

The sheets we were looking at had a lot of loose remarks which we could hardly read afterwards. So maybe less scribbling, more clarity in writing??!

It is too superficial and a one way message. Is this more durable?? Is this the idea of
