### **Journey into Light Coming to the Heart of Europe**

Dear Co-Counsellors,

In 2016 the hosting team for CCI Europe is the Hungarian Co-Counselling community. We have been an active group since (1984)1986, initiated into "life" by our dedicated teacher, Mary Corr...kept in a flow by the ongoing team of a few dedicated co-counsellors and refreshed by a few new people joining us. There is also a **Co-Counselling Teachers' Learning Gathering** open to all co-counsellors,

## How can CoCounselling serve the growing need for Mindful Presence in Times of Chaos and Fear?

What we are experiencing in the world, a

nd now in Europe related to our social, ecological systems are posing some key challenges for us all. We are being confronted with past, present and an uncertain future. By now we are seeing the global interconnectedness of our actions on a personal scale as well. How can we cope and thrive in the here and now?

**The CCI** is open to all co-counsellors who have completed their fundamental training. We will put on a workshop for newcomers to CCI or for co-counsellors who feel that their skills have become a bit rusty.
