CCI EUROPE, 2021 - HUNGARY

Dear All,

who have been and are still interested in CCI-Europe, Hungary.

International travel did not seem to be safe in July 2020. So after a lot of contemplation, discussions and based on an opinion poll we decided to postpone the international event. We were sure by this summer all will be good. However, things with covid-19 are still not quite clear. The vaccination program has started and is proceeding in a lot of countries but we know predictions have been fairly unreliable so far.

At the moment we feel that 3 options are within the odds:

1. in person participation
2. online participation and/or hybrid (online and in person)
3. those who do not want either of them, will be reimbursed

The date is going to be the same:

July 23rd-25th Teachers'

July 25th-31st CCI Europe,

We are very unsure of everything at the moment but wanted to let you know that we have not forgotten about you. We will be coming back to you later in March, early April and thus come to a decision on how we will gather, in person and online or hybrid.

Take care and enjoy the approaching spring, birds, sunshine and long walks...

Hajni, Ágota, Csaba, Saci, Bea, Zsuzsa, Gabi, Donal
