

An Introduction to Co-Counselling

Language

English

The introduction to co-counselling session will introduce you to co-counselling and give you a taste of how it works. It will also introduce the Core Training Course and give you experiences of how it works. And, like the core training course, it will be active, experiential – and fun.

Event Dates

Tuesday, 10 October, 2017 - 11:30 to 13:30
