

Laurieston Hall Family Week

Language

English

This is a residential workshop for CCI co-counsellors and their children. The well-established, friendly community and beautiful surroundings, including woodland and loch, make this a summer residential to remember.

This is a space to fill with workshops, coco sessions, support groups, walks, swimming, boating, saunas, music, dancing, cabaret and bonfires. The week is free from alcohol and recreational drugs. The setting is there – the rest is up to you!

We will share day-to-day tasks with the residents on a rota basis: for example, food preparation, washing up and working in the garden. The food is vegetarian and home cooked. Vegan and other diets may be available, but must be booked in advance.

The workshop can accommodate 63 people in total, including babies and children. ALL places must be booked in advance. Accommodation is in rooms for 4-10. Priority for small rooms is given to people with disabilities and to people with young children. Camping is welcome in the grounds and Laurieston Hall can provide tents with mattresses, duvets blankets and pillows.

This is a child-friendly residential with limited places for 0-16s. There is a 'kids club' provided during workshop hours, with places for children aged 3-12 although some young children may need parental support.

Laurieston Hall is largely accessible; please contact us for more information.
