

Laurieston Hall Family Week

Language

English

This is a residential workshop for CCI co-counsellors and their children which takes place every year in August. However, you don't need to be a parent to attend the event. The setting is amongst a well-established, friendly community in a large house in Dumfriesshire, Scotland. The house is set in beautiful surroundings, including woodlands and a private loch, This provides a space for us to fill with workshops, coco sessions, support groups, walks, swimming, boating, saunas, music, dancing, cabaret and bonfires. The setting is there – the rest is up to us! The workshop can accommodate 63 people in total, including babies and children. It's a very popular and long running event in the international CCI calendar and you are advised to book early to secure a place. More information and a booking form can be found on the event website.

Hope to see you there.
