Come to McCOCO 2010

NEW! This year we have invited people to offer workshops in advance. This resulted in a very exciting and inspiring offering. Registered co-counsellors can click [HERE](#) to see this exciting offering so far.

Four Days !!! From Thursday evening 29 April 6 pm to Monday afternoon 3 May 4 pm

Co-Counsellors living in Scotland are delighted to offer McCoCo 2010 residential workshop. We are offering this exciting, international, challenging, supportive, fun space from Thursday evening 29 April to Monday 3 May. This will be the twelfth! McCoCo residential workshop. The Monday is a Bank Holiday for everyone in the UK.

We have booked a wonderful venue 25 miles from Edinburgh called **Wiston Lodge**. It is a magnificent 19th century Lodge house, set in its own extensive wooded grounds. There are several spaces suitable for different kinds of workshops including a sports hall for dancing and a big room for the opening circle. For more pictures of the venue, click [here](#).

WORKSHOPS

NEW! This year we have invited people to offer workshops in advance. This resulted in a very exciting and inspiring offering. Registered co-counsellors can click [HERE](#) to see this exciting offering so far.

The **workshop program** is open and will also be created by McCoCo's participants at the spot.. Anyone can offer a co-counselling workshop or ask for a topic group, massage, meditation and indeed anything what makes your and other people's heart sing. As well as participating in the workshops and support groups or simply having co-counselling sessions you can choose to enjoy dancing, chatting with people from overseas in front of a log fire, walking in the lovely grounds or in the nearby Tinto hills etc.

HESITATING...?

New to Co-Counselling?

We extend an especially warm welcome to Co-Counsellors who have recently completed Fundamentals or who have not been to an event like this before. This event provides an opportunity for you to meet Co-Counsellors from throughout the UK and beyond. We will offer a workshop especially for first-timers at the beginning of the workshop. We encourage also the forming of buddies.

Feeling rusty...?

No problem, the only requirements for having sessions is to be able

- to give your free, aware caring attention to your client
- to refuse to enter into a session contract or to give a suggestion if you don't want to
- to keep confidentiality

If you are able to do this, you will very quickly remember again what you have learnt earlier in Co-Counselling, especially when you experience the support, freedom and encouragement that McCoCo has on offer.

Scotland too far away or McCoCo difficult to travel to...?

As there are so many Co-Counsellors in Edinburgh we can possibly offer accommodation with Co-Counsellors in Edinburgh before and after McCoCo. Tick the relevant box on the booking form.
