Residential CCI Workshop

Type of Event:

Come to McCoCo 2020

Four Day Residential:

Thursday 30th April 5pm to Monday 4th May 3pm

We all love coming to the beautiful venue at Wiston Lodge for this annual co-counselling residential, and we hope you'll join us in spring next year to co-create another great experience together.

We are delighted to offer the McCoCo 2020 residential workshop. We are offering this exciting,

international, supportive and beautiful space from Thursday evening 30 April to Monday 4 May. This will be the 22nd McCoCo residential workshop. The Monday is usually a Bank Holiday for everyone in the UK, although this year that's different (because of VE day celebrations).?

We have booked again the wonderful venue 45 miles south of Edinburgh called **Wiston Lodge**. It is a magnificent 19th century former hunting lodge, set in 52 acres of beautiful grounds, including much woodland and streams. There are several spaces suitable for different kinds of workshops including a hall for dancing and a big room for the opening circles. For more pictures of the venue, click [here](#).

The **workshop program** will follow the same format as many other co-counselling residentials,; a structure will be offered within which the participants will co-create the programme each day. Anyone can offer a co-counselling workshop or ask for a topic group, massage, music, meditation or indeed any activity that makes your heart sing. As well as participating in workshops and support groups or simply having co-counselling sessions you can choose to enjoy dancing, chatting with people from overseas in front of a log fire, walking in the lovely grounds or up the nearby Tinto hill etc. On the final evening we often have a ceilidh (informal cabaret).

Are you hesitating? New to Co-Counselling?

We extend an especially warm welcome to Co-Counsellors who have recently completed Core Training Fundamentals or who have not been to an event like this before. This event provides an opportunity for you to meet Co-Counsellors from throughout the UK and beyond. We will offer a workshop at the beginning of the workshop to help everyone settle in to the event.

Feeling rusty...?

No problem, the only requirements for having sessions is to be able

- to give your free, aware caring attention to your client
- to refuse to enter into a session contract or to give a suggestion if you don't want to
- to keep confidentiality

If you are able to do this, you will very quickly remember again what you have learnt earlier in Co-Counselling, especially when you experience the support, freedom and encouragement that McCoCo has on offer.

Staying with a co-counsellor before of after McCoCo

We can possibly offer accommodation with Co-Counsellors in Edinburgh or the local region.

We are looking forward to seeing you at McCoCo 2020

Bye for now,

Kate, Lilian, Mick, Richard and Vicki

Bursary requests i.e. reduced fees

We are unable to subsidise places for folks who may not afford to come to McCoCo out of our general pot: the full fees that people pay allow no surplus.

We therefore have a separate bursary fund and you may, if you wish, donate to that fund to help others come to the event. Please add the extra amount to your own fee, and let us know

via the booking form on this page.

If finding the money is preventing you from booking please let us know. We may be able to help via the separate fund mentioned above.
