****IMPORTANT**** If you wish to attend any of the event (even if it's only the last few days) you **MUST** book by 19th December!! This is so that we can create a final list of participants before the event begins, to help generate a sense of safety and community.

SUPPORT GROUPS: If you wish to be in a pre-arranged support group, please book before 16th December, as we will create the groups then. (You can still create your own support group once the event begins, but you will need to do the work :)
